Your Search Results Score

24 out of 80

Better than 70% of properties within your city

Your Search Results Score is based on the number of times your property appears in search results compared to all other properties in your city. Your score works the same as a ranking system – the lower the number, the more often your property is seen.

Factors influencing your score

Conversion

0.44%

Your property

This shows the percentage of property page views that converted into bookings in the past 90 days.

Average Daily Rate

ZAR 4,702.75

Your property

Also known as ADR, this is the combined revenue earned from sold rooms, divided by the number of sold rooms, for a specific time frame.

Cancellations

24.1%

14.5%

Your property

Area average

This shows the percentage of all bookings that were canceled in the last 90 days. More cancellations means less conversion.
