Your Search Results Score

23 out of 277

Better than 92% of properties within your city

Your Search Results Score is based on the number of times your property appears in search results compared to all other properties in your city. Your score works the same as a ranking system – the lower the number, the more often your property is seen.

Factors influencing your score

Conversion 0.56% Your property This shows the percentage of property page views that converted into bookings in the past 90 days.	Average Daily Rate ZAR 3,310.25 Your property Also known as ADR, this is the combined revenue earned from sold rooms, divided by the number of sold rooms, for a specific time frame.	Cancellations 25.0% 21.1% Your property Area average This shows the percentage of all bookings that were canceled in the last 90 days. More cancellations means less conversion.
